

# COVID Impacts in-Person Safety Classes

Over 12,500 in Attendance at Live Online Safety Classes

## Class Attendance

\*Safety classes are regularly offered throughout the year. Class schedules are available through the UT Police website ([utph.org](http://utph.org)) and intranet calendar.

■ Active Shooter ■ Verbal Defense & Influence ■ General Campus Safety ■ All Others

Due to Covid-19 safety precautions all UT Police safety classes were transitioned to online platforms. From March 2020 through March 2022 Officer Leston has given over 400 live virtual presentations.

The University of Texas Police at Houston (UTPH) offers several safety classes to help our university community eliminate the opportunity of becoming potential crime victims.

Be aware of your surroundings

Close windows and lock your car

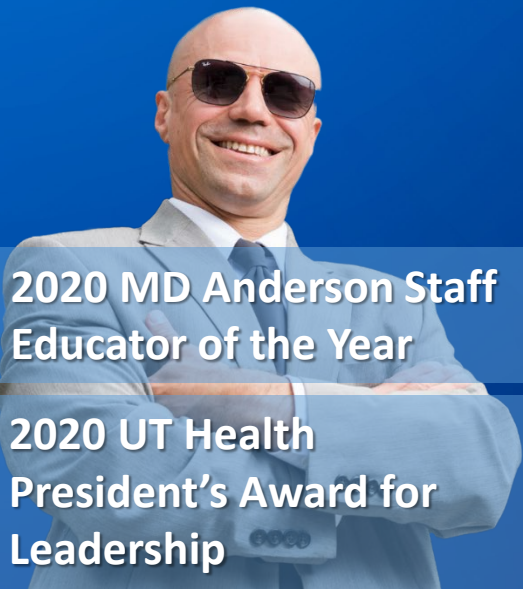

Limit distractions like cell phones

Contact UT Police Community Outreach to learn how you can bring safety classes like active shooter prevention, verbal de-escalation and others to your department/workgroup.
