

## Resources for Online Teaching and Learning

As part of Education Week, the Research Medical Library will present information resources and tools for online teaching and learning. This includes videos, case studies, images, eBooks, journal articles, and more. We'll also review copyright standards for sharing resources with students and faculty.

[Wednesday, March 30th from 2:00 PM - 3:00 PM](#)

### Dear Editor: How do I respond to peer review?

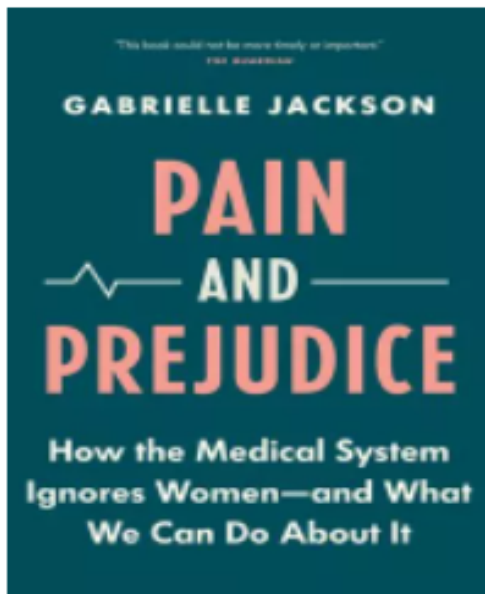

Tuesday, March 22, 10:00 AM

Join us for a series of conversations on scientific writing and publishing. In this third conversation of the series, we will discuss best practices for responding to peer review comments.
