Overdrive: A New App for eBooks and Audiobooks

MD Anderson employees now have access to [Overdrive](#). Overdrive is an eBook and audiobook platform that can be accessed from your desktop, iPhone, iPad, or Android device.

This new collection of titles is focused on leadership and wellness. Authors like Brene Brown, Sheryl Sandberg, and Tasha Eurich are featured. Download Overdrive and start reading today.

1. Download [Overdrive](#) from your app store. [The Libby app](#) can also be downloaded, offering an alternative reading experience.
2. Search for “MD Anderson” as your Library.
3. Log in using your MD Anderson credentials.
4. Search for books to read and place books on hold.

PubMed Updates

Friday, May 8; 11:00am – 11:30am
[REGISTER TO ATTEND ONLINE](#)

The new PubMed will officially launch in mid-May. Join us for a quick overview of the new PubMed interface and brush up on your PubMed searching skills.

Stay Current with DynaMed & UpToDate

[DynaMed](#) and [UpToDate](#) are clinical decision support tools that are easy to access from your desktop, smartphone, or tablet. Learn the basics on accessing and using these tools effectively with this quick video: <https://youtu.be/l1FKw7o3jYI>

Questions and information about these sessions or other resources, contact the Research Medical Library at RML-Education@mdanderson.org.
