

SHP Online Textbooks

Although the library space is closed and patrons are currently unable to check out physical textbooks, students at the School of Health Professions can access textbooks online 24/7 via the Research Medical Library eBook Reserve service. You can [view the electronic versions](#) we have available for the upcoming semester or use the [Search the Library tool](#) to search all of the library's collections. Students and faculty can submit a request for an eBook using our [Suggestion Form](#).

Summer Experience Posters

The MD Anderson Summer Experience is an umbrella program of the various academic summer programs at MD Anderson. Research posters and abstracts presented [in OpenWorks](#), our institutional repository, showcase the research activities of our students during their internships at MD Anderson.

Support our students by checking out their summer research projects!
