NEWSBYTES

News and information from the [Research Medical Library](#)

National Medical Librarians Month & American Archives Month

It's National Medical Librarians Month and American Archives Month. Here are five ways the [Research Medical Library](#) partners with MD Anderson faculty, clinicians, researchers, administrators, staff and students.

The Research Medical Library:

1. Facilitates access to reliable, relevant evidence

- The library provides [clinical tools](#) for quick answers, including UpToDate and Dynamed
- Expert librarians [perform comprehensive literature searches](#) to gather evidence to support your research, administrative, education or clinical questions.
- The [library offers 24/7](#) access to tens of thousands of resources, including eBooks, journals, databases, and tools.
- If you can't find what you're looking for, order any article or book chapter for [free through interlibrary loan](#).

Celebrate National Librarians Month and American Archives Month with a quiz!

If you have questions about how to partner with the library, contact us at RML-Help@mdanderson.org.

Zoom from A-Z: New Training

The library has created a streaming video channel dedicated to Zoom training. Whether you're switching from WebEx, running your first meeting, or need a refresher, our short, informational videos can help. New content will be added frequently. Access the [Zoom channel from your browser](#) or download the Stream app ([iOS](#); [Android](#)) to watch on the go.

CLASS: Accessing Library Resources

Thurs., Oct. 7; 1:00 - 2:00pm

[REGISTER TO ATTEND](#)

Confused about how to access the library's online resources? During this class, we will guide you on how to log in remotely, search for a book or article, request popular services, and use the tools available to you to grow in your current position.

Celebrate Hispanic Authors

National Hispanic Heritage Month is from September 15 to October 15, and there are [many ways to celebrate](#). [Download an eBook](#) from the Hispanic Heritage Month collection on Overdrive.

CLASS: Endnote Basics

Tues., Oct. 19; 1:00 – 2:00pm

[REGISTER TO ATTEND](#)

EndNote is a software tool that helps to store and manage your citations when writing a paper. Attend this class to learn the basics of EndNote such as how to:

- Add references to EndNote
- Organize references in groups
- Insert and delete citations in Word
