Making Cancer History®

Education Hub

The Research Medical Library website now includes our new Education Hub. MD Anderson staff and students can use the hub to find live and self-paced educational videos, guides, and courses all in one place. Get help by browsing popular topics or enroll in one of our self-paced courses to earn a certificate of completion.

Online Class: Funding Opportunities with PIVOT

Join us to learn how to use the PIVOT database to find funding opportunities, discover collaborators, and more. We will give an overview of these resources on Thursday, December 15, from 9:30 to 10:00 AM.

View and sign up for [upcoming library classes](#).

Libby

[Libby](#) is a free digital reading platform for libraries and schools worldwide. Libby delivers a large catalog of eBooks, audiobooks and magazines. You can stream titles with Wi-Fi or mobile data, or download them for offline use and read anytime, anywhere. Enjoy curated collections by our librarians over the winter break.

View [step-by-step instructions](#) on how to download Libby to your mobile device and watch a video on how to use Libby.
