Edwin A. Mirand, Ph.D.
Secretary-Treasurer, AACI
Association of American Cancer Institutes
Roswell Park Memorial Institute
666 Elm Street
Buffalo, New York 14203

Dear Doctor Mirand:

This letter in response to your request for an updated application for membership in the AACI. I must raise a protest regarding this application. To fill this out properly would require a great deal of effort by our staff and considerable expense. I am unaware of any way in which this effort will either benefit our cancer patients or benefit the National Cancer Program. Very recently, at the recommendation of the AACI, our institution devoted an enormous amount of effort towards completing the cancer center profile which includes essentially the identical information to that requested on the update for membership. We could provide all of this information to you with no more expense than that required for duplication. I feel that the AACI should take strong leadership in discouraging the proliferation of requests for useless paper work that needlessly saps the resources of cancer centers. I would therefore appeal the necessity for filling out this voluminous form.

With best personal regards, I am

Sincerely yours,

Charles G. Moertel, M.D.

MEMORANDUM

Date: 3/24/78

TO: Dr. E. A. Mirand

FROM: Lesa Nelson
Office of the President

MESSAGE:

The enclosed list of AACI representatives is correct.
March 16, 1978

MEMO TO: Members of AACI

FROM: Dr. E. A. Mirand, Secretary-Treasurer

SUBJECT: Up-dating of Membership List

We are attempting to bring our current membership listing up to date. We need to know the correct mailing address and phone number of each of the representatives in the AACI. As you know, each Institute is permitted to have three representatives.

Kindly check the enclosed list as we have it on our current records. Please make any changes on the list and return it to my office. If the list enclosed is correct as it stands, I would appreciate it if you would also return it to me indicating it is correct.

We must have an accurate list available for the mailings to be made for the next semi-annual meeting to be held in June. Therefore, I would appreciate receiving the list of your AACI representatives no later than April 1st.
