Dear Lee:

This is a reminder which you asked me to give you concerning a formal note reminding me of the meeting of the AACI and that I am to be present as a member of and consultant to the membership committee and you have in mind the possibility of having me appointed again as consultant to the Board of Directors if possible.

I will be in Washington on January 25 and 26 attending the U. S. A. National Committee Meeting as an official observer (consultant). Dr. Mirand also wishes to have a meeting of the membership committee of the AACI on January 27, the day after the meeting of the U. S. A. Committee. This would indicate that I should stay over and not return to Houston to save air fare for a return to Washington for the AACI Meeting on January 28. As a matter of fact, the air fare paid by the National Academy of Sciences can cover both meetings.

Very sincerely,

OK
